

CT Chapter CPCU Society Annual Charity Golf Tournament

June 14, 2021

Welcome to the Connecticut CPCU Society Chapter's 2021 Annual Charity Golf Tournament!

With COVID restrictions being lifted, we are happy to not only be able to reopen the event to full capacity this year, but also to report that registration was completely sold out. It is truly inspiring to see so much dedicated support from the insurance community for this event!

On behalf of the Connecticut Chapter, including all of our chapter leaders, the golf committee, and the good works committee, I would like to thank our sponsors and participating golfers for joining us this year and for your dedication to supporting our community through this annual charity tournament. We would not be able to hold this successful event without your generous support. Thank you and we sincerely hope that all of the tournament's participants, sponsors, and supporters enjoy the day with friends and colleagues at Wampanoag's beautiful links and clubhouse.

When each CPCU is conferred, they make the following pledge: "As a Chartered Property Casualty Underwriter, I shall strive at all times to live by the highest standards of professional conduct. I shall strive to ascertain and understand the needs of others and place their interests above my own. And I shall strive to maintain and uphold a standard of honor and integrity that will reflect credit on my profession and on the CPCU designation."

This tournament represents an embodiment of that pledge, as we strive to uphold a standard of honor and integrity while placing others interests above our own. In a commitment to supporting those from our community who are in need, the net proceeds from this tournament are used to fund scholarships and provide much needed monetary donations to a wide range of charities working to support our communities, children & families, health & safety, and education. The support and participation of our sponsors and golfers will have a direct positive impact on many organizations and individuals in our surrounding communities.

Finally, I would like to recognize all of the hard work and countless hours put in by our chapter's own golf committee in preparing for this year's tournament. Rick Poulin and his team of volunteers worked tirelessly to prepare an amazing event for you today. It is our sincere hope that you enjoy your round today and that you will join us again in 2022!

Justin Moulton, CPCU, WCP, ARc
President, Connecticut CPCU Society Chapter, Inc.
